Project Description/Justification:

The Akiak RPSU project was completed with \$2,250,000 in state funds and \$2,250,000 in federal Denali Commission funds. The balance of the appropriation, \$1,750,000 would be used to fund a project from the same region that is on the Alaska Energy Authority (AEA) project list. The project identified is currently Atmautluak RPSU. Estimated construction cost to for the Atmautluak RPSU project is \$2.8 million dollars. Additional state funds are being sought to complete the project through the RPSU Energy Projects Capital request.
