Brief Summary and Statement of Need:

This is a new FY2014 capital project due to the submission of the new 2013 - 2015 Statewide Transportation Improvement Program (STIP), which occurred after the December 14th release of the Governor's budget. This project will rehabilitate the road between St. Mary's and Mountain Village, approximately 16.5 miles in length, and improve drainage, raise grade and replace damaged culverts.

Project Description/Justification:

Due to minimal maintenance over the previous years, the road between St. Mary's and Mountain Village has deteriorated beyond periodic maintenance. Large sections of the road need full rehabilitation to bring grade above surrounding tundra and repair/replace damaged culverts.
