

AHFC Federal and Other Competitive Grants

FY2015 Request: \$4,500,000
Reference No: 6348

AP/AL: Appropriation

Project Type: Life / Health / Safety

Category: Health/Human Services

Location: Statewide

House District: Statewide (HD 1-40)

Impact House District: Statewide (HD 1-40)

Contact: Les Campbell

Estimated Project Dates: 07/01/2014 - 06/30/2019

Contact Phone: (907)330-8356

Brief Summary and Statement of Need:

Federal (HUD) and state match funds will allow Alaska Housing Finance Corporation (AHFC) to apply for HUD, other federal agency, and private foundation grants that target the housing needs of low-income and special needs groups such as: senior citizens, the mentally ill, disabled or the homeless. In cases where grants require a match, State funds will be used to the extent necessary. Grant funds received are often passed through to local nonprofit organizations.

Funding:	FY2015	FY2016	FY2017	FY2018	FY2019	FY2020	Total
AHFC Div			\$1,500,000	\$1,500,000	\$1,500,000	\$1,500,000	\$6,000,000

- Sec13 Ch29 SLA2008 P156 L25 SB221 \$4,500,000

Project Description/Justification:

This program will allow AHFC to apply for HUD, other federal agency, and private foundation grants that target the housing needs and supportive services of low-income and special needs groups such as: senior citizens, the mentally, physically, or developmentally disabled, or the homeless. AHFC will also apply for energy-related grants as they relate to housing. When required, AHFC will provide the needed matching funds. Some of the funds received will be passed through to local nonprofit sub-grantee organizations that deliver housing and/or services.

The projected outcomes are to successfully compete and fund the matching portion of the following grant programs:

- HUD Supportive Housing;
- Housing Opportunities for Persons With AIDS (HOPWA);
- Grant Match Program;
- OneCPD HUD Technical Assistance Program (**C**ommunity **P**lanning **D**evelopment); and
- Section 811 Housing Program for Persons with Disabilities.

AHFC will make application, as appropriate, to private institutions or foundations to study and/or address such issues as housing delivery systems, safe and viable neighborhoods, homelessness and aging-in-place. When required, matching funds will be provided for grants that target the housing needs of low-income and special needs groups such as senior citizens, the mentally, physically, or developmentally disabled, or homeless.

Program Description:

This program also allows AHFC to apply for and receive federal, state, and other grants that target the housing needs and supportive services of low-income and special needs groups such as mentally ill, homeless or disabled persons. Numerous federal and private foundations incorporate a matching cash contribution requirement in their competitive grant programs. The grant match program has been vital to attracting outside funding into Alaska to meet the housing needs of these special populations.

Most of the Federal funds received, as well as the match funds, are customarily passed through to local non-profit or municipal sub-grantee agencies who deliver the housing and related supportive services. Examples of programs with match components include HUD Supportive Housing, Housing Opportunities for Persons with AIDS (HOPWA), and the USDA Housing Preservation Grant Program.

With the elimination of the local HUD Technical Assistance awards which previously funded the local technical assistance program, AHFC successfully partnered with a national entity on the first round of the HUD OneCPD training and technical assistance funding opportunity. AHFC, as a partner, will continue to provide scholarships to attendees to HUD-sponsored trainings in Alaska and other training locations as well as hosting AHFC-sponsored training events. Partnering with the national entity will allow input into the training and technical assistance needs of Alaskan project sponsors. Local input will ensure that the trainings offered by national entities continue to be responsive to both state and local requirements.
