<p>The sum of \$164,617 is appropriated from the general fund to the Department of Transportation and Public Facilities, office of the commissioner, for the purpose of paying costs associated with Old Quinhagak Airport litigation for the fiscal year ending June 30, 2014.</p> <p>The Department of Transportation and Public Facilities (DOT&amp;PF) leased the former Quinhagak airport from Qanirtuuq Inc. The Native Village of Quinhagak, DOT&amp;PF and Qanirtuuq Inc. entered into an agreement to address the deconstruction of the former airport as the Native Village of Quinhagak directly received Federal Aviation Administration (FAA) funds for the construction of a new public airport. During the Native Village of Quinhagak's deconstruction activities the presence of hazardous substances was discovered within the former snow removal equipment building. As a potential responsible party, DOT&amp;PF cleaned up the site in compliance with Department of Environmental Conservation (DEC) standards. Qanirtuuq Inc. administratively appealed DEC's determination of no further action on the clean-up effort. DEC's determination was upheld and Qanirtuuq Inc. subsequently sought remedy in Superior Court for further clean-up efforts.</p> <p>In November 2013 (FY2014), a legal settlement of \$100.0 was negotiated. Associated legal fees amount to \$64.6 for a total cost of \$164.6 related to the Old Quinhagak Airport litigation.</p>
