 Sec10 Ch29 SLA2008 P79 L19 SB221 \$565,000

Please see attached backup document for project listing.

Project Description/Justification:

This project considers maintenance work on the vessels that is discovered as an unbudgeted, need based item to preserve the existing system and maintain its regulatory compliance. This project will continue to improve the reliability and long term availability of the Alaska Marine Highway System. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage, by improving the mobility of people and goods and by increasing private investment.
