

**Anchorage - Principal Arterial Pavement Resurfacing and ADA Compliance**      **FY2016 Request: \$15,000,000**  
**Reference No: 58605**

**AP/AL:** Allocation      **Project Type:** Construction  
**Category:** Transportation  
**Location:** Anchorage Areawide      **House District:** Anchorage Areawide (HD 12-28)  
**Impact House District:** Anchorage Areawide (HD 12-28)      **Contact:** Jeff Ottesen  
**Estimated Project Dates:** 07/01/2015 - 06/30/2020      **Contact Phone:** (907)465-4070  
**Appropriation:** Surface Transportation Program

**Brief Summary and Statement of Need:**

This preventive maintenance project will extend the service life of Principal Arterials and improve curb ramps to meet Americans with Disabilities Act (ADA) standards. The scope does not include landscaping or other elements inconsistent with a pavement preservation focus. Initial tasks includes auditing state roads as part of resurfacing efforts to determine ADA compliance and identify those issues that can be quickly resolved. Prioritization and construction of needed ADA improvements will be identified per audit.

**Project Description/Justification:**

This project is needed to address pavement and ADA needs throughout the Anchorage area. Anchorage roads have the highest vehicular traffic volumes within the state and an extensive amount of pedestrian and bicyclist traffic as well. The high vehicular traffic volumes, studded tire use, and freeze/thaw conditions rapidly deteriorate pavement to the point that resurfacing is required.
