**Brief Summary and Statement of Need:**

Development and maintenance of the Office of History and Archaeology (OHA) online database for cultural resource management known as the Alaska heritage resources survey/integrated business system (AHRS/IBS). The AHRS is a restricted inventory of all reported prehistoric, archaeological, and historic sites within the State of Alaska. The database provides Alaska Department of Transportation and Public Facilities (DOT&PF) with easy on-line access to known cultural resource information. Work will include database programming and data entry and management.
