Prior Funding History / Additional Information:

No prior funding history.

Project Description/Justification:

This project is anticipated to provide support for the following projects on the Glenn Highway:

Anchorage - Glenn Highway/Muldoon Road Interchange Reconstruction

This project will reconstruct the interchange at Muldoon and Glenn Highway. The purpose of the project is to increase safety and circulation for both cars and non-motorized traffic and to make it easier for freight trucks to travel through the interchange. The goal is to develop and implement a long-term solution to address vehicle and pedestrian traffic concerns within the interchange area.

Glenn Highway - Hiland Road to Eklutna Pavement Preservation

This project will repave the Glenn Highway from Hiland Road to Eklutna. Over 35,000 vehicles travel this 4-lane stretch of highway each day.

Glenn Highway - Airport Heights to Hiland Road Pavement Preservation

This project will repave the Glenn Highway from Airport Heights to Hiland Road. Over 55,000

vehicles travel this 6-lane stretch of highway each day.
