Prior Funding History / Additional Information:

No prior funding history.

Project Description/Justification:

This project is anticipated to provide support for the following projects on the Dalton Highway:

Dalton Highway - Milepost 265 Roche Moutonnee Creek Bridge

This project will repair or replace the Roche Moutonnee Creek Bridge #1519. The bridge was inspected in July 2012 and was determined to have numerous deficiencies. It had an overall sufficiency rating of 66.4 and a condition rating that is a "triggering item" of "substructure is rated a 4-poor".
