1002 Fed Rcpts		250.0										
<p>Additional federal authority is needed in the Air Quality component in FY2016 for a project-specific grant through the Diesel Emissions Reduction Act program. An increment for \$250.0 of additional federal authority in the Division of Air Quality going forward would allow for these regular fluctuations in federal receipts that occur every two to three years due to similar project-based grants. This is a one-time request.</p>
